

## ISOLMANT KIT SCALE

Isolmant Kit Scale consists of standard IsolTile sheets for risers, steps and intermediate ledges, to be trimmed on site to adapt them to the specific surface. This KIT also contains all the accessories such as the junction band to connect Isolmant sheets and the side band to disjoint the staircase from the stairwell, which are indispensable for completing the acoustic insulation.

<p><b>THICKNESS</b></p>	<p>Approx. 2 mm</p>
<p><b>INSTALLATION</b></p>	<p>Check the surface that should be planar and moisturise the staircase concrete before laying the adhesive.</p> <ul style="list-style-type: none"> <li>- Cut Isoltile sheets and install them by means of the C2 class adhesive. Isolmant IsolTile should be installed also on the landings between a flight of steps and the following one.</li> <li>- Once installed Isolmant IsolTile, seal the sheets that have been laid on each step by means of the IsolTile strip.</li> <li>- Install Isolmant Isoltile lateral strip on the vertical partition to disconnect the step and the staircase wall.</li> <li>- By means of Isoltile sealing tape seal the connection line between Isoltile lateral strip and Isolmant IsolTile that is installed on the step and on the landing. Lay the mortar bed on the IsolTile sheet installed on step and landing.</li> <li>- Install the marble tile by means of mortar or adhesive. Cut the extra length of IsolTile lateral strip after installing the flooring.</li> <li>- Then lay the skirting boards sealing the clearance between the base and the marble.</li> </ul>
<p><b>SIZE</b></p>	<p>Isolmant IsolTile treads sheet: h 33 for 125 cm                  Isolmant IsolTile risers sheet: h 20 for 125 cm                  Isolmant IsolTile landing sheet: h 50 for 125 cm                  Isolmant IsolTile sealing tape: h 7.5 cm for 20 m                  Isolmant IsolTile lateral strip: h 18.5 cm per 25 m                  Isolmant Fascia Tagliabattiscopa: h 3 cm per 15 m</p>
<p><b>PACKAGING</b></p> <p>Note: one Kit to insulate a standard staircase (two half-stairs and one landing).</p>	<p>Isolmant IsolTile treads sheet: 22 elements                  Isolmant IsolTile risers sheet: 22 elements                  Isolmant IsolTile landing sheet: 4 elements                  Isolmant IsolTile sealing tape: 5 elements                  Isolmant IsolTile lateral strip: 1 element                  Isolmant Fascia Tagliabattiscopa: 2 elements</p>
